Fish and Pine Lake Management Planning Meeting
July 22, 2014

Present: Ryan Haney (UWSP – CWSE), Danielle Rupp (UWSP – CWSE), Ed Hernandez (Waushara County Land Conservation), Patrick Nehring (UW Extension), Dave Bartz (WDNR), Scott Bunde (WDNR)

Copies of PowerPoint presentations from this meeting can be found on the Waushara County webpage.

1) Danielle welcomed the group and made a few announcements:
   a. If anyone would like to send Danielle and Ryan photos from the lake(s) to include in the Lake Management Plan, feel free to do so! Scenic vistas, people enjoying the lake, fish and wildlife, shorelines, and interesting plants are all photos that could be included in the plan.
   b. The next meeting date was tentatively set for Thursday, August 21 at 6:30 p.m. (location TBD)
2) Ryan presented the results of Fish and Pine Lake’s survey #2. Complete survey results are available on the Waushara County webpage.
3) A presentation on the fish community, habitat, and the fishery of Fish and Pine Lakes was given by Dave Bartz, Fisheries Biologist with the Wisconsin Department of Natural Resources.
4) Lake groups split up respectively to discuss and identify goals, objectives, and suggested actions for fisheries and recreation with Mr. Bartz and Mr. Bunde available for reference and recommendations. Notes will be compiled into the draft plan by UWSP.

These meetings are open to all interested parties. Information on the meetings (including PowerPoint presentations used) and plan drafts can be found on the Waushara County website http://www.co.waushara.wi.us/.
