

Immigration Q&A

Take advantage of this opportunity to learn more about the immigration process that may affect clients you work with, families you associate with, neighbors in your community or yourself. Some of the questions this presentation will address include...

- Who are citizens/permanent residents?
- What does a petition for citizenship involve?
- Who can petition for someone to become a citizen/permanent resident?
- What is the timeline for the process?
- What causes the backlog in the process to become a citizen?
- Any additional questions that you have.
