

## **LOTTERY AND GAMING CREDIT INFORMATION**

Property owners currently receiving the lottery and gaming credit on the tax bill are no longer required to recertify. However, new property owners who have not previously signed an application can claim the lottery and gaming credit if you were the owner of the property and it was used as your primary residence on January 1. A lottery and gaming credit will be shown on your property tax bill if an application form is completed and returned to the County Treasurer's Office prior to November 15. If no credit appears on your property tax bill you may also obtain an application from your municipal treasurer before January 31.

Primary residence is where you live most of the time. When you are temporarily away, it is the home to which you intend to return. You can only have one primary residence. If the lottery and gaming credit is currently shown on your tax bill those applications are valid until the property no longer qualifies as the primary residence of the property owner. The law requires that you notify the county treasurer within 30 days after you no longer qualify to claim the credit either because you no longer own the property or no longer use it as your primary residence.

For additional information about the Lottery and Gaming Credit, contact the County Treasurer's Office at 209 S. St. Marie St., Wautoma, WI 54982 or the Wisconsin Department of Revenue, PO Box 8971, Madison, WI 53708-8933.
