

## Waushara County TRIAD

The February TRIAD Meeting was held at the Waushara County Sheriff's Department. Those in attendance had an opportunity to observe a demonstration of the Jail's Live Scan equipment which is capable of taking inkless fingerprints and submitting them directly to the State of Wisconsin. They also were able to learn more about the booking process including the importance of proper photographs.

The March meeting of TRIAD will be held in the upstairs conference room at the Sheriff's Department located at 430 E. Division Street in Wautoma at 10 am on March 7th.. All Waushara County Senior citizens are invited to attend and there is no cost. The program for March is Identity Theft. This is a growing problem throughout the United States and Waushara County residents have already been victimized. In addition to learning what is happening in Waushara County, those in attendance will learn how to protect themselves from being victimized.

Other topics being covered during 2006 include:

April 4th-Waushara County Meth Task Force

May 2nd-Contractor Scams

June 6th-Life line/Project Life Saver

July 4th-No meeting
